

Friends Series 6 Episode 2 Cambridge Proficiency gapfill

In the previous episode, Ross and Rachel got married whilst drunk in Las Vegas. Chandler and Monica nearly got married too but backed out. Instead, they've decided to move in together. Work together to try and predict what happens to these characters and the two who didn't even think about marrying (Phoebe and Joey) in this episode.

Without thinking about the gaps yet, read through the following dialogue from the episode and see if it changes your mind about what happens.

*Ask your teacher about any of the words in **bold** that you don't understand.*

Work together to try to put one word into each of the gaps below, then check your answers as you watch the episode.
