

Lemonheads Being Around- Second Conditionals

Without matching the lines, read through the song and say what kind of song you think it is:

If I was in the fridge,	would you mow your lawn?
If I was the grass,	would you open the door?
If I was your body,	Would you eat it?
If I was a booger,	would you blow your nose?
Would you keep it?	would you still wear clothes?

I'm just trying to give myself a reason, for being around.

If I was the front porch swing,	would you shake your thing?
If I was the dance floor,	would you let me bounce
If I was a rubber check,	would you let me hang?
Up and down inside your bank account?	

Would you trust me, not	to make you,
I'm just trying really hard	to break you?
Notice me being around.	

If I was a haircut,	could I clean your flat?
If I was a maid,	would you wear a hat?
If I was the carpet,	would you wipe your feet,
In time to save me from mud off the street?	
If you like me, if you love me,	
Why don't you get down on your knees	
And scrub me?	
I'm a little grubby	
From being around.	

Read through one more time and try to match the sentence halves. Listen and check.
