

Safety First Pairwork Dictations
Challenges 1 Module 3 Unit 8

Students try to find someone who has the other half of their text, then dictate the missing halves, all without showing their worksheets to each other.

Student A

I use the Internet at home every weekend. I

around the world. My mum says chatrooms are

Student B

think chatrooms are great. I talk to other kids

dangerous. Do you think they are dangerous?

Student A

My little brother plays sports every day with his friends

and Dad. I want to buy him a present too. What 'extras'

helmet?

Student B

Now he wants a skateboard for his birthday from Mum

does he need? What do you think? Does he really need
