

## Technical and Medical English A and U Pronunciation Pairwork

### Worksheet 1- Language for correcting people

*Decide which word is being described in each sentence below and write the correct spelling and the pronunciation in phonemic script.*

“/                      / is spelt P, R, U, G”      “Actually, it’s spelt with an l, not a r”

“The spelling of /                      / is P, A, M, P”      “The second letter should be a u”

“You spell /                      / N, U, M, B, B, E, R”      “I think you only need one b”

“/                      / is spelt S,U,C,E,S,S”                      “Actually, you need a double c”

“You spell /                      / D,U,M,P,I,N”      “You are missing a g after the last letter”

*Check the answers above with your dictionary.*

*Correct the grammar mistakes in the phrases for correcting people below.*

“I’m sorry, I think that’s mistake.”

“I think the third letter is wrongly.”

“The correct spell is R, A, B, B, I, T.”

“First letter should be an A.”

“There are too much Bs. There should only be one.”

*Using the language above, correct the mistakes your partner tells you from their copy of Worksheet 2.*
