

**How questions answer me**

A litre	300 millilitres	An hour	2 kms
One or two cups	Just a little	Quite a lot	A lot
Just a drop	Just a pinch	Two slices	Once a month
Twice a day	Half a kilo	250 grams	A teaspoon full
A tablespoon full	One slice	A few slices	None/ Not any
One bottle	One jar	One carton	One glass (full)
One or two pieces			

## **Instructions**

*Take four cards from the pack your teacher gives you. Try to ask questions for which your partner's true answers match the words on one of your cards, in which case you can discard that one. The first person with no cards left is the winner.*
