

## IELTS Speaking Part Two about Nature

Speak about a trip to the countryside that you took. Things to include in your presentation:

- Where you went
- What it was like
- What you did there

And whether you would like to visit the same area of countryside again or not and why

Give a short presentation about a national park, wildlife sanctuary or other area of countryside in your country. You should say:

- Where it is
- What it is like
- What makes it special

And say whether you think that is well preserved or not, and why
