

Money and weekends discussion questions

Inside Out Upper Intermediate Unit 3

Choose the most interesting questions below to ask your partner

Did you spend more or less than usual last weekend? Why?

What's the most you've ever spent over a weekend? What did you spend it on?

What is the cheapest possible night out in this city? What would it consist of?

How would you spend your weekend if you were **skint** (= **broke** = **penniless**)?

Is there anywhere outside this city where you could go for the weekend where it would actually be cheaper than staying here?

Where would you go to **splash out** (= **blow some cash**)?

How would you spend your first weekend after winning **a fortune**?

What's the best place for kids to spend their **pocket money** in this city?

What things did you do last weekend which weren't worth the money?
