

Body parts definitions game

Talk about what one of the body parts below can do and you can do with it (e.g. medical problems, movements, actions, exercises, treatments, show feelings, gestures) until your partner guesses which one it is.

Eyelid	Eyebrow	Eyelashes	Nose
Nostril	Forehead	Bottom lip	Tongue
Front teeth	Back teeth	Gums	Chin
Jaw	Cheek	Receding hairline	Crow's feet
Little finger	Ring finger	Middle finger	Index finger (= First finger)
Thumb	Shoulder	Adam's apple	Neck
Shoulder blade	Ribs	Nipple	Belly button
Six pack/ Stomach/ Beer belly/ Tummy	Bottom/ Rear end/ Backside	Hip	Knee cap
Calf	Shin	Ankle	Wrist
Elbow	Thigh	Palm	Forearm
Bicep	Love handles	Sole	Big toe
Little toe	Fingernail	Toe nail	Ear lobe
Throat	Fingertip	Knuckle	Lower back

What meanings can you convey by making gestures with those body parts, e.g. your middle finger and first finger? What countries are those gestures used and not used in?
