

Your weekend Functional language Answer me

That's a shame	I envy you	That's sounds awful
That sounds delicious	I really must try that some day	That's such a coincidence. I...
I don't believe it!	That's a pity	I'm sorry to hear that.
Lucky you!	Better luck next time!	That sounds wonderful
Funny you should say that, because...	You're joking	You're kidding
So, what happened?	That was lucky!	Wow!
Congratulations	That sounds relaxing	You must be very proud

Teacher's instructions: Cut up enough for at least three cards per student.

Students must answer the question "How was your weekend?" with a way they hope will get the response on one of their cards. If they get that response they can discard the card. The first person with no cards left is the winner.
