

Business Result Pre-Intermediate Unit 5 Needs analysis and discussion

Ask each other questions and make notes about the answers in all the boxes below.

Topic	Past	Present	Future
Job			
Using English at work			
Using English outside work			
Studying English			

What past tense questions could you ask about someone's present job?
Compare your answers with those under the folded line.

- How long have you been working here?
- Why did you choose this company? What are the benefits of working here?
- What was the recruitment process when you were applying for the job here?

What other job benefits can you think of? Which ones are most important for employees?

What other stages of recruitment processes can you think of?
