

Comparative adjectives to explain your culture

New Cutting Edge Elementary Module 9

How could you explain these Japanese things that tourists might come across? Write descriptions with the structure "... is similar to... but more.../.... er", for example "A ryokan is similar to a hotel but more traditional", adding more information if you like, e.g. "... and you usually sleep on futons".

Chabudai

Furoshiki

Geta

Hagoita

Izakaya

Kouban

Matcha

Minshuku

Noren

Okonomiyaki

Sentou

Shochu

Tsukemono

Uchiwa

Udon

Wagasa

Yukata

Zakkaya

Zori

Ask for other teams' suggestions for any you couldn't explain or couldn't explain well.

Which things above would you recommend to foreign tourists? Are any other similar things better in any way?
