

**They are Clothes and accessories brainstorming**

**English Land 2 Unit 8**

**Teacher's instructions**

*Read out, hold up or write up one of the sentences below. Students get one point for anything they can draw that matches the category, two points if they can also say the name in English, and five points if they can also write the name in English. They must also repeat the sentence below (singular or plural depending on how many they draw). Tell them the names and spelling each time so that they have the chance to use them in future rounds.*
