

Interrupting key words card game

Take cards from a pack spread face up across the table or cross off words from the worksheet (with different colour pens each) as you do the interrupting activity your teacher gives you and use those words. The person who has used most words at the end is the winner. You can't use the same phrase twice, but you can copy things your partner says.

Any	Before	Can	Finish
Here	If	Interrupt	Just
May	Minute	Off	On
Point	Say	Sorry	Stop
Where	Just	Finish	Can
