

## FCE Use of English Part Three word formation practice of comparing contrasting phrases for Speaking Part Two

For questions 1-12, read the sentences below. Use the word given in capitals at the end of lines to form that fits in the gap **in the same line**.

1. One \_\_\_\_\_ between the vehicles which stands out is... SIMILAR
2. One of the \_\_\_\_\_ between the sightseeing spots is... DIFFERENT
3. The most \_\_\_\_\_ difference between the two venues is... - OBVIOUSLY
4. One aspect that the two pictures clearly have in \_\_\_\_\_ is the size of the space for people to walk around in. – COMMONALITY
5. \_\_\_\_\_ to life in this place, I expect the animals over here are quite happy. – COMPARE
6. In \_\_\_\_\_ to a formal setting like this, I'd imagine this place is quite a lot more relaxed. - COMPARE
7. \_\_\_\_\_ the children playing down here, I'm fairly sure that the man in this picture up here is working. – LIKE
8. A \_\_\_\_\_ similarity of this picture to that one is... - STRIKE
9. I suppose an \_\_\_\_\_ similarity between this ruin and that one is... - ADDITION
10. For me, this scene is not \_\_\_\_\_ as impressive as this one. – NEAR
11. \_\_\_\_\_ the weather in the two places, this place is almost certainly hotter. – CONTRAST
12. I'd say that this street is \_\_\_\_\_ cleaner than the one in this photograph. – SOME

*(Note: This not quite an exam task because the root words will always be shorter and it will be one complete text rather than separate sentences.)*

*Underline other useful language for Speaking Part Two above.*

*What phrases are used above to refer to the two photos and to speculate?*
