

## Passives Guess Who

*Ask your partner Yes/ No questions like "Was A killed by B?" until you guess which of the four stories below they chose.*

Story 1: A was killed by his brother, B, because B was owed £200 by A's friends. He was questioned by C and D. He hit C with a chair- and although D held him back he managed to escape.

Story 2: A was killed by his brother, B, because B was owed £200 by A's friends. He was questioned by C and D. He was held by D and hit by C with a chair. He later managed to escape.

Story 3: B was killed by his brother, A, because A owed £200 to B's friends. C was questioned by D about the murder. E also questioned him.

Story 4: B was killed by his brother, A, because A owed £200 to B's friends. C was questioned by D about the murder. E was also questioned by him.

Story 5: B killed his brother, A, because A owed £200 to B's friends. C was questioned about the murder by D. He also questioned E.
