

### Cambridge First Certificate (FCE) sharing experiences practice/ needs analysis

*In threes or fours, share your experiences of the things below. Please mix up just responding to people's stories with your own similar or different experiences and actually asking each other questions. If your teacher wants to keep a record of your needs and experiences, please make a note of what one of your partners says.*

#### Useful language

Like/ Unlike you/ (name), I...

I have/ had (almost) the same experience as you/ (name)

I... too. In fact,.../ I... as well, and...

My experience differs from... in that...

My experience is (quite/ fairly/ very) different from/ similar to yours/ (name's) in that/ because...

I haven't... (nearly) as much as...

Rather than..., I...
