

**Adverbs of frequency and times dice bluffing game**  
**Time to Talk Yellow (S) Unit 2**

*Choose times and adverbs of frequency below to make statements about your routines, only using each expression below once. If you can't think of anything true to say, just use your imagination. After asking for more details, your partner will guess if your statement was true or not.*

	<b>A</b>	<b>B</b>	<b>C</b>	<b>D</b>
<b>6</b>	always	always	... o'clock	... in the morning
<b>5</b>	usually	almost always	half past...	... in the afternoon
<b>4</b>	often	usually/ generally	(a) quarter past...	... in the evening
<b>3</b>	sometimes	occasionally	(a) quarter to...	... at night
<b>2</b>	rarely/ hardly ever	almost never	... past...	... at the weekend
<b>1</b>	never	never	... to...	... on weekdays

*Do the same, but rolling a dice to decide which expressions you must use. Your teacher will tell you which columns above to use, or tell you if you can choose which columns.*
