

Travel plans bluffing game

Names of places/ Future plans, desires and arrangements

Time to Talk Yellow (A) Unit 5

Choose a place randomly (e.g. by flicking a coin across a map or picking cards from below) and make a future statement about that place using future forms like those below. If you can't think of anything true to say about that place, just use your imagination. After asking for more details, your partner will guess if your statement was true or not.

Suggested future forms

1. I'd like to/ I want to...
2. I'm planning to.../ I plan to...
3. I'm going to...
4. I'm ...ing...
5. I'm not...
6. I don't.../ I wouldn't...

Do the same, but with a dice to decide which future form above you should use each time.
