

## Present Simple questions with be speaking

### Time to Talk Yellow S Unit 1

Your teacher will give you 8-15 typical classroom objects such as a ruler, ballpoint pen and eraser. One person will pass one of those things and ask a personal question. The person who received that will ask the same question as they pass the same thing, then pass another thing and ask a different question. Continue adding more things and questions, starting from the same first question each time, until everyone forgets the questions.

Take turns asking and answering questions below, adding "am/ is/ are".

- what your name?
- what your job?
- you an office worker?
- your office near here?
- where you from?
- you from Tokyo?
- you British?
- how old you?
- what your telephone number?
- what your favourite food?
- how you?
- how old your father?
- what your father's job?
- what your mother's name?
- where your parents from?
- what this (in English)?

Write the correct form of "be" in the right places in the questions above.

Ask and answer all the complete questions in pairs.

-----fold-----
