

Xmas going to games
Live Wire 2 Unit 15

Going to with Xmas and New Year vocabulary make me say yes

Ask "Are you going to...?" questions about the future Xmas and New Year like those below, trying to get "Yes" answers. You get one point for each time your partner says "Yes, I am". You get no points for "No, I'm not" and "I don't know" answers.

Ask about any questions below you don't understand, answering the question each time.

Xmas going to guessing game

Choose one of the things below. Without saying which thing, say what you need to do in order to do that thing, e.g. "I'm going to buy stamps" for "send Xmas cards". Your partner can guess once per hint.

Xmas going to mimes

Imagine you are going to do one of the things below. Mime the stages leading up to that thing, but don't actually do the action written below. For example, if you are going to have a snow fight, you can mime dressing up in gloves etc and making a snowball, but don't mime throwing the snow ball (because that would be "You are having a snow fight", not "You are going to have a snow fight").
