

Who is ...ing Present Continuous subject questions dice drawing game
Take Off 2 Unit 15/ Lift Off 2 Unit 15

Roll a dice and ask a question starting with "Who is...?" with words from that section, e.g. "Who is dancing?" if you roll a 1. Your partner will roll the dice and answer your question with someone or something from that section of the answers table, e.g. "A girl is" if they roll a 3. You should then draw that person (or thing) doing that action, e.g. a girl dancing. If your partner answers "The teacher is", try to draw the teacher of this class doing that thing. If your partner answers "I am", try to draw your partner doing that thing. If your partner answers "You are", try to draw yourself doing that thing.

Describe what is happening in the drawings, e.g. "A dog is feeling happy".

Ask and answer questions about what is happening in the pictures, e.g. "Who is mountain climbing" "An elephant is".

Ask about any words you don't understand in the tables, drawing that thing once you understand each time.

Play the same game, but without a dice, choosing freely from the table.

Make your own tables with different questions and answers for another group to play the same game with.

Describe what is happening in another group's drawings. They will tell you if you are wrong.

Questions

1	Who is	camping canoeing/ kayaking cooking dancing doing homework doing karate/ doing kung fu drawing driving a car	?
