

Colours, numbers and shapes collaborative drawing game

Open Door 1 Unit 5

Take turns choosing a shape word card and adding that shape to a picture of a face, continuing until the face is finished.

Do the same, but taking a colour card and a shape card each time.

Do the same, but taking a number card, a colour card, a shape card, and maybe the -s card each time.

Do the same with pictures of:

a rocket

a snowman

a house

a robot

a castle

a park

a school

Describe the pictures with sentences like "A house with three red circles and..."

Cards to cut up

square

circle
