

**Present Continuous and prepositions of place drawing game**  
**Lift Off 2 Unit 6**

**Actions around the class drawing game**

- *Make sentences about what people are doing in the class like those on the next page for your partner to draw on Post Its and put in the places that you say*

OR

- *Make sentences about what people are doing in this classroom for people to race to draw on Post Its and put in the right place*

*“You” means a picture of the person who is drawing, and “I” means a picture of the person who makes the sentence.*

*When you finish, try to remember and say all the actions happening on the Post Its and their positions with language like the sentences on the next page*

**Actions everywhere drawing game**

*Play the same or a different game from above, but this time all on the board or one big piece of blank paper, with sentences like those on the last page below.*
