

## **Talking about changes to culture with be and get used to**

*What major changes have there been to arts, media and culture since you were younger?  
Which have been easiest and most difficult to get used to?*

*Are any of these among the biggest changes?*

- 3D movies
- 4D movies
- celebrities on social media
- connecting devices by Bluetooth (to stream to your TV etc)
- computer animation
- deep fake videos
- digital television
- DVDs
- EDM
- foreign-language dramas
- hard disk recorders
- mp3
- no smoking in cinemas etc
- on-demand television/ asynchronous watching
- online media (TikTok, etc)
- online news
- openly LGBTQI+ TV personalities/ celebrities
- reanimated dead actors
- satellite television
- smart speakers
- smartphones
- streaming movies and TV
- two-screen watching
- watching on small screens

*Which of those were easiest and most difficult to get used to?*

*How interested are you in pop culture (pop music, popular TV programmes, celebrities, etc)?*

*How knowledgeable are you about pop culture? (= How much do you know about pop culture?)*

*Take a pop culture quiz and see who has higher and lower scores.*
