

## Get Up Stand Up by Bob Marley quantifiers practice

*Put one word into each gap in the song. The same word can be used more than once.*

Preacher man, don't tell me  
Heaven is under the earth  
I know you don't know  
What life is really worth  
It's not \_\_\_\_\_ that glitters is gold  
\_\_\_\_\_ the story has never been told  
So now you see the light  
You stand up for your rights

\_\_\_\_\_ people think  
Great God will come from the sky  
Take away \_\_\_\_\_ thing  
And make \_\_\_\_\_ body feel high  
But if you know what life is worth  
You will look for yours on Earth  
And now you see the light  
You to stand up for your rights

We're sick and tired of your ism-schism game  
Die and go to Heaven in Jesus' name  
We know when we understand  
Almighty God is a living man  
You can fool \_\_\_\_\_ people \_\_\_\_\_ times  
But you can't fool \_\_\_\_\_ the people \_\_\_\_\_ the time  
So now we see the light  
We gonna stand up for our rights
