Cultural generalisations
New Cutting Edge Intermediate Module 7
With your partner, agree on ways of completing the following sentences, all about any country that you both know well, e.g. your own. You can add adverbs like "almost"*,* "most" *and* "some" *if you need to.*

In formal situations,...

It is not respectful to…

It is very important to…

It is polite to…

It is not usual to…

You should always…

Most people…

People tend to…

People tend not to…

It is normal to…

It is rude to…

Visitors should/ shouldn't… to avoid giving offence

Generally, people…

Always remember to…

Nobody cares about…

It might seem strange to foreigners that…

These days, nobody…

Read out a sentence that you agreed on and see what the class thinks.

Read out a sentence stem that you couldn't agree on and see if you agree with what others in the class say.

Ask about any sentence stems above which you aren't sure how to complete, working together as a class to complete them each time.
