

**Reality TV show roleplays
with personality vocabulary
Cutting Edge Advanced Module 7**

Interview each other for a place on a reality show based on a desert island.

Change groups. Do the same, but trying to find out the thing written on your partner's roleplay card from below.

Look at all of the cards and discuss:

- Which of the people described above would you least like to share a house with?
- Which ones wouldn't you mind too much?
- What other things would make someone impossible to live with?

You moan a lot
You are always very chatty and lively
You are a loner
You are a womaniser
You are overbearing
You are henpecked
You like pushing people around
You are often irritable
You are moody
You are very neat and fussy
You are messy
You are hyperactive
You are a couch potato
You are sulky when you don't get your own way
