**Education vocabulary word formation Complete First Unit 5 Updated 2 Sept 2022**
*Write variations on the words below, e.g. other parts of speech or opposites. Each variation must be one word (not compound nouns etc that are split into two words) and must be at least slightly different from the form given below. Even small changes are fine.*

| | |
|---|---|
| academy | assist |
| attend | certify |
| doctor | enter |
| graduate | lecture |
| multiply | nation |
| qualify | revise |
| scholar | school |
| second | study |
| take | tutor |

*Choose one of the words above which you have many variations which you are sure about. You will get one point for each correct form, but lose all the points for that round if anyone successfully challenges you.*

*Compare your words with those under the fold below.*

*----------fold, cover or cut----------*

**Suggested answers**

*Other forms are possible, so please check if you wrote something different.*
