

FCE Speaking Part One on education and studying

Complete First Unit 5

Student A

Choose one or more present questions then past and/ or future questions from below to ask your partner, asking follow-up questions if the first answers are short.

Present

- Do you like studying?
- Are any of your friends particularly interested in studying English?
- Do you usually remember things that you have studied?
- Do you prefer to study hard all through a course or study really hard just before an exam?
- How do you usually revise before an exam?
- How studious are you?

Past

- What was your favourite subject at school?
- Tell us about the last time you took an exam.

Future

- Are you interested in studying abroad?
- How do you think you will use English in the future?
- Would you prefer to have a job or be a full-time student?

-----fold, cover or cut-----

FCE Speaking Part One on education and studying

Complete First Unit 5

Student B

Choose one or more present questions then past and/ or future questions from below to ask your partner, asking follow-up questions if the first answers are short.

Present

- Do you like taking exams?
- Do you spend a lot of time studying?
- Do you do anything to learn more about history?
- Do you have the same academic interests as your parents?
- What sort of techniques do you use to help you remember what you have studied?
- Would you say that you have good study skills?

Past

- Were you a good student when you were younger?
- What subjects did you dislike at school?

Future

- Do you plan to continue studying English after taking FCE?
- Is there anything that you would really like to study in the future?

Listen to Track 17. Which questions above do they answer, and how good are their answers?
