Everybody Up Unit 6

Choose one of the cards below and say the sentence with true or false information in the gaps, depending on if the card says *TRUE* or says *FALSE*. Answer questions from your partner (still lying or telling the truth), see if they can guess if the story is true or imagination, then take turns doing the same with different cards below.

I made _____ for _____ TRUE
I made _____ with _____ TRUE
I gave _____ to _____ TRUE
I helped _____ with _____ TRUE
I made _____ for _____ FALSE
I made _____ with _____ FALSE
I gave _____ to _____ FALSE
I helped _____ with _____ FALSE

Do the same with your own true or imaginary examples of being helpful.

Discuss how really helpful or not you are, and find who is most helpful in your group.

Try to give good reasons for not helping your partner.
