with examiner's scripts
Objective IELTS Advanced Unit 6

"Now I'd like you to speak for one or two minutes on the topic I will give you. First you have one minute to prepare what you want to say. You can make notes if you wish. Here is your topic sheet" *(Let them look at the task at the top of their sheet now).*

Describe a song or piece of music that you like. You should say:
- What kind of music it is
- What you like about it
- How you first became interested in that music

And say how that music is different from other music that you like

After one minute, interrupt the preparation by saying something like "Please start speaking (now)".

If the candidate speaks for less than one minute, wait silently and gesture that they should continue. If they continue speaking after 2 minutes interrupt them by asking them a question about what they said.

After they finish speaking, ask the candidate 1 or 2 short questions about what they have just said such as "You said… Wh…?"
