Take turns reading out JUST THE PART YOU HAVE WRITTEN (not the part originally on the worksheet) and seeing if your partner can work out which it comes from.

Do the same with the first parts of these similar sentences:

_____, I would've been much happier
_____, I would be much wealthier today
_____, I would've got much better marks at school
_____, I would've hit him or her

Do the same, but writing a whole sentence, reading out just half, and seeing if your partner can guess the other half (giving hints if they get stuck).

_____,_____

_____,_____

_____,_____

_____,_____
