FCE Use of English Part 1 question writing game
Cambridge B2 First multiple choice cloze

Group A: Based on First Certificate Practice Tests (OUP) Test 1

Write questions to test another group with where the first words below are the right answer and the other words given are the wrong options. Where there fewer than four words, make up the other wrong options. Mix up the options under each question so that it isn't obvious which is the right answer.

1. direct (train, master, rule)

2. as (with, being)

3. consisted (composed)

4. indicate

5. faced

6. concerned

7. increasing

8. time

9. received

10. mending

11. opened

12. went

13. protected

14. won

15. honoured

Make sure that the other three options are actually wrong (not just that one is a better choice), then test the other group with your questions.

Do the real tests which those words come from.

Group B: Based on First Certificate Practice Tests (OUP) Test 2

Write questions to test another group with where the first words below are the right answer and the other words given are the wrong options. Where there fewer than four words, make up the other wrong options. Mix up the options under each question so that it isn't obvious which is the right answer.

1. covered (dealt, fulfilled, managed)

2. measured (scored, valued, ____)

3. for (out of, _____, _____)

4. completely

5. skilled

6. while

7. treating

8. behind

9. familiar

10. up

11. attention

12. right

13. outcome

14. certain

15. major

Make sure that the other three options are actually wrong (not just that one is a better choice), then test the other group with your questions.

Do the real tests which those words come from.
