FCE Use of English Part One question writing Version 2

Group A: Based on First Certificate Practice Tests 1 (CUP) Test 3

Write similar words next to those given below to make four options for each, then write a sentence where ***only one of the four options is correct*** *to test the other group with. Write out the options again under each sentence so that the other group don't know which ones you wrote and which were already there.*

1. would, could, should
2. up, in, out
3. weakened, depressed
4. curiosity
5. become
6. warning
7. bothered
8. confidence
9. ignoring, omitting, avoiding
10. through
11. gaining
12. on
13. took
14. help
15. quiet

Make sure that only one of the four answers is possible, i.e. that none of the other three options can go in that gap (not just that one of the four options is better).

Do the tasks that the other team give you.

Check the other team's answers.

Do the original exam tasks.

Group B: Based on First Certificate Practice Tests 1 (CUP) Test 5

*Write similar words next to those given below to make four options for each, then write a sentence where **only one of the four options is correct** to test the other group with. Write out the options again under each sentence so that the other group don't know which ones you wrote and which were already there.*

1. gained, fetched, attached
2. fact, case, circumstance
3. common, natural
4. at
5. react
6. advanced
7. for the present
8. as
9. run, appointed, commanded
10. had
11. largely
12. relation
13. works out
14. allowed
15. point

Make sure that only one of the four answers is possible, i.e. that none of the other three options can go in that gap (not just that one of the four options is better).
